Florida District of Key Club International
District Service Trip

Florida District Key Clubbers,

This year the Florida District Service and Major Emphasis Committee is organizing a District-wide service trip open to the first 40 Key Club members in the Florida District to register. The trip will be based upon this year's Governor's Project, The Home Project, created by Florida Key Club Governor Sam Kerce. The Home Project works to assist the homeless population in your local community**.** We will be working with Habitat for Humanity to build houses for families in Winter Haven, Florida.

The service trip will begin on Thursday March 14th and will end on Saturday March 16th. We will be working with the Habitat for Humanity of East Polk County in Winter Haven, Florida, and will be staying at the Days Inn of Winter Haven located at 1150 3rd Street Southwest in Winter Haven, Florida.

How to Register. The cost per participant is $80 which includes all meals, transportation throughout the trip, and a two night stay in a quad room. Please send all forms to Emily Hughes at 2520 County Barn Road Naples, Florida 34112, and make all checks payable to The Florida District of Key Club. In the memo line, please write, "District Service Trip." Payment may also be made through Pay Pal. Fill out the PayPal form at http://floridakeyclub.org/online-donations. In the drop down box for "Type", select "Other". In the Special Instructions/Notes box type in "District Service Trip", then click submit to be taken to the PayPal payment page. Registration will be on a first come first serve basis and is complete when payment is received. The fastest way to make payment is to use PayPal.

Travel policy: Adults must drive key club members to the Days Inn on Thursday and home from the Days Inn on Saturday. During the trip members will be transported by chaperones. There will be at least one chaperone for every 10 youth.

Student Participant Name: _____ Age: _____

Parent/Legal Guardian Name: _____
