Summarize any other activities (service projects, icebreakers, etc.): Zone F was invited to bring lightly-used clothing which would be donated to Hope Haven, a transitional home for the homeless. Also, a water balloo Endowment Fund fundraiser took place (\$51).

What worked or went well?: The clothing drive was a huge success; over 350 items of clothes were collected and taken to Hope Haven after the event.

Kiwanis LTG of Division 15 gave a very informational and fun presentation.

CKI District Secretary Phoebe Sartori gave a great introduction to CKI to all member.

Workshops were fun and educational. Overall the timing for everything went well. We stayed in our planned time frame. During our 20 minute break in between workshop sessions, members had the opportunity to socialize; music was playing and members bought snacks to enjoy.

What would you do differently?: At the end of the event, we had to quickly get ready for the water balloon fundraiser so the adjournment was rushed. Next time (SZR), we would need to slow down, adjourn properly, and then quickly get ready for anything afterwards.
