Summarize any other activities (service projects, icebreakers, etc.): We had a hygiene drive, and we handed out Trick or Treat for UNICEF boxes.

What worked or went well?: We had managed a well-structured agenda that outlined everything, and prior preparation was done over multiple conference calls. In addition, despite facing time changes in our program, all the LTGs adapted well. The atmosphere of the KCKC was active and welcoming.

What would you do differently?: We would plan our KCKC on a better date that had no other obligations planned ahead of time (i.e. Homecoming, SAT, etc.). However, two of the clubs who were bringing the most members lost their transportation the day before and were unable to attend. They would have brought around 40 members. Also, advertising KCKC details (specifically the cost that would be mailed to the P.O. Box) could have been accomplished at an earlier time.

Complete the club attendance section on the next page then answer these questions.

Total number of clubs in attendance: 20 Total number of clubs in zone: 60

Total number of Key Club members from your zone in attendance: 82

Total number of adults in attendance (all advisors, Kiwanians, parents, etc.): 21
