

KEY CLUB

FLORIDA DISTRICT

Benefits of Running for Higher Office

Have you ever wondered how your life would change if you joined the Florida District Board of Trustees? Look no further! From the moment you turn in your election documents up until you are elected at a Spring Zone Rally or at our District Education and Leadership Conference in the House of Delegates, you are sure to grow as an individual.

Over the years, we have seen students from all backgrounds grow into leaders who are ready to take on the world. Are you ready to take this step?

If you need a bit of inspiration, look below at the many benefits that can be acquired by those who choose to run for higher office!

GROWTH

Confidence

Grow as a leader and acquire new skills that you can use in future careers. You can speak in front of a large crowd!

SKILLS

Communication

Speech writing and caucus sessions enhance your ability to articulate your thoughts into words.

INVOLVEMENT

Knowledge

You will learn more about not only Key Club, but also more about the community around you as you meet leaders from the Florida District!

Reflection

Have the chance to reflect on all of your strengths as a candidate after any campaign event you attend. Through reflection, you also grow more accountable!

Responsibility

Due dates and duties characterize all positions. These factors breed a new sense of responsibility and time-management for a future leader.

Thinking on the Spot

Direct questioning. Quick reactions. These scenarios describe running for higher office and teach you how to deliver a fitting answer even when you think you cannot.

Public Speaking

Each speech you deliver only improves your speaking ability in front of a crowd.

Leadership

You can be the one who understands leadership beyond a title, an understanding of delegation, planning, and communication.

Experience

Each activity you conduct and each person you meet during your campaign gives you a new insight into life. Not only does your decision to run impact your Key Club experience, but the skills you learn can be utilized in future ventures.

Relationships

You form bonds with others from all parts of the state. You learn how to be a team player and the want to do more for your community is always present.

You are the KEY to your future!
