Dear Kiwanis Club Secretary,

I hope your Kiwanis club has had a successful 2011-2012 and that this coming year will be even better. I would like to ask you to consider a special donation to assist the Florida District of Key Club. Our records show that your Kiwanis club does not currently sponsor a Key Club, so I am making this request of you and of all Kiwanis clubs who are not Key Club sponsors.

Our annual District Education and Leadership Conference (formally called District Convention) is in April 2013. There are two expense items for which we would like help.

First, we would like to provide the 200 attending faculty advisors with a thank you reception for all they have done for Key Club over the past year. Second, because of the positive impact the conference has on clubs, we would like to offer a limited registration discount for clubs who have not attended in several years. Clubs who attend the conference have two and a half times more members and perform almost three times more service hours *per member* than clubs who do not attend. Once clubs start attending, they tend to continue the trend for several years.

We would appreciate a donation of \$250 for these efforts, but any assistance is welcomed. This would be a great way to support Kiwanis's flagship program which will strengthen our Key Clubs. It also will spotlight Kiwanis to members of Key Club, which we now has a direct impact on whether they will be future Kiwanians. All Kiwanis clubs making this donation will be listed in our conference program and on a sponsorship sign at the reception. Enclosed is a form with all the instructions you need.

Thank you so much for your community service. If you have any questions or are interested in chartering a Key Club, please contact me.

In service,

David McCampbell
