

## **Applies to Current District Board Members:**

- You may not express support for any future candidates. You must remain neutral and support anyone wishing to run for office.
- Posting and communication over social media that shows support for someone's campaign will not be permitted, and may result in termination of their campaign.
- The board and candidates can NOT speak negatively of other candidates.

## **Applies to candidates:**

- For rules regarding when forms must be turned in please see the individual forms for more detail.
- No campaigning of any sort is permitted before the opening session of the first Spring Zone Rally. There will be no campaigning in between the closing session of a rally and the start of the next rally.
- Candidates are able to discuss, for the purpose of advice, their campaign with only the District Board and their home club.
- Candidates must continue to successfully fulfill the duties within the position they currently hold.
- Candidates must arrange travel for a Spring Zone Rally. Two weeks prior to the rally date, candidates must notify and gain approval the Zone Administrator for the zone they plan to attend.
- No candidate shall seek endorsement or votes from any club (other than the home club), division or zone for his/her own campaign prior to DCON. Candidates may contact individual Key Club members, however, for the purpose of asking for campaign staff members (a campaign manager and/or nominator) prior to the District Education and Leadership Conference.
- Candidates for District Office may neither spend any money nor use any donated items.

Failure to comply with the above rules may render the candidate ineligible for office at the discretion of the Elections Violations Committee.
