## The Florida Key Club Endowment Fund

# What is the Endowment Fund?

The Florida Key Club Endowment Fund was established to provide college scholarships and funds to reduce the cost of the annual District Education and Leadership Conference (DCON).

The Endowment Fund focuses on funding opportunities for Key Club servant leaders and will fund at least ten scholarships, nine of which will be \$2,000 each.

As the Endowment Fund grows, the number of funded scholarships will increase. However, growth is only possible with your help.

"The Endowment Fund scholarship allowed me to go to college without having to stress about money [or] having to take out additional loans." ~ Sabrina Cerquera (Recipient of the 2016 Endowment Fund Scholarship)

"[The scholarship] enabled me to focus more on my studies and extracurriculars instead of worrying about finding a job." ~ Martha Grace Hagan (Past Governor of the Florida District of Key Club International)

"Coming from a low-income family, it was very nice to see how happy my parents were when they received the news that I won the scholarship." ~ Noemi Lopez (Recipient of the 2017 Endowment Fund Scholarship)

# Family Involvement

We highly encourage all of our Key Clubbers to talk to their families about donating to the Endowment Fund!

One way adults can get involved is by participating in a recurring, tax-deductible donation. Setting aside a small amount of money every month/quarter/year is an extremely helpful way of growing the Endowment Fund, which, in turn, contributes to lower DCON prices and greater scholarship opportunities.

Students may also ask the adults in their life to donate the money they would have spent on presents to the Endowment Fund. Since you may make donations in someone else's name, this not only helps the fund grow, but also makes your student eligible for other amazing awards!
