The Service Village will be held the afternoon of Friday, April 5th at the 2013 District Education and Leadership Conference. To participate, clubs must create a tri fold or self-standing board that displays the details of a service project that other clubs can learn more about. Creativity and interactive boards and displays are encouraged, but the board must fit on half of a folding table or stand freely. A representative must stay with the board to answer questions and explain the project.

Name of representative(s)

Phone number _____

E-mail address _____

Please include a short description of the service project you would like to display.

If you have any questions, e-mail service chair Emily Hughes at servicechair@floridakeyclub.com
