Summarize any other activities (service projects, icebreakers, etc.: We made peanut butter and jelly sandwiches for loaves and fished before the closing.

What worked or went well?: The service project was efficient and clubs had a good time bonding. All the classrooms worked well for presentation purposes and the powerpoints had good information.

What would you do differently?: I would push for more people to bring in bread, there is always excess peanut butter and jelly cans. I forgot to check the speakers in the media center before the presentation, but it was working promptly. Additionally, some of the sharpies for the name tags were dried out so next time someone should ensure they work in advance.
