Key Club Service

Unfortunately, a clinch in the Awards database resulted in the omission of a few clubs in the platinum club size category that had earned the Club Citation Award. This omission led to the incorrect top three winners of the Key Club Service Award in this size category. The initial three announced winners will keep the trophies they received at DCON. A trophy for each new winner was given to the club’s lieutenant governor for delivery. Corrected results made after DCON 2019 are highlighted below and preceded by an asterisk.

The Awards Committee is already working on methods to improve our processes from application submission through to awards presentations at DCON.
