

Florida Opportunity Fund Application

Dear Applicant,

Thank you for your interest in the Florida Opportunity Fund (FLOF)! The FLOF grant comes from a portion of each member's dues and provides up to two-thirds of the cost of a service project. **Fundraising projects will be decided at the discretion of the District Treasurer.** The approval of a second FLOF grant in one Key Club year is up to the discretion of the District Treasurer as long as the total of both applications does not equal more than \$1,000 and funds are still available for grants.

The entire application contains three parts: the application, LTG comments, and follow-up report. Please e-mail Part I with signatures **to your Lieutenant Governor and the District Treasurer.** This contact information can be found at <http://floridakeyclub.org/contact-information/>.

If the above submission procedures are not followed, the application will not be approved until it is corrected and resubmitted. Remember to **keep all receipts** relating to the service project. You will be required to scan and email these receipts with Part III: Follow-Up Report **within two weeks of the completed project.**

Applications will be reviewed each year starting on October 1st through June 1st. **Applications for projects occurring before October 1st will not be accepted if they are received after June 1st.** This means that any summer projects should be planned well in advance. You may submit an application between June 1st and October 1st for projects occurring on or after October 1st; however, you will not receive your grant until after October 1st. The applicant will hear back within two weeks of application submission whether or not the club received the grant.

Thank you for your interest in the FLOF grant. Let me know if you have any questions. Together, we can make a difference!

Yours in Service,

District Treasurer
