# DCON PAYMENT BREAKDOWN

## **Registration opens December 1st!**

Quad- \$285.00 • Triple- \$340.00 • Double- \$380.00 • Single- \$585.00

### **Rule of Thirds:**

Do you need financial support to pay for DCON? Well follow these steps and divvy up the costs of DCON to ensure that you make it to the best event all year!

1. Talk to your sponsoring Kiwanis Club, preferably at the beginning of the year, about providing 1/3 of the money needed for attending members. Check out the donation letter that can be found online at <http://floridakeyclub.org/dcon/>. Your top priority should be paying for the incoming officers of your club.
2. Use the many fundraisers in this guide or ones of your own to raise funds for your club. Make sure you know how many people are attending from your club so that you know how much money needs to be provided for the second third of the costs and don't forget you can use money in your club's account from past years to lower the costs.
3. Have club attendees come up with the final third of the sum by fundraising on their own, or simply using money that the person has saved up in the past.

**Don't forget to factor in transportation into your costs and planning.  
The above figures account for registration costs only.**
