

District Education and Leadership Conference Service Fair Registration Form

April 6, 2019 | 3:30PM – 5:00 PM

This year's Service Fair will be held the afternoon of Saturday, April 6, 2019 during the District Education and Leadership Conference. To participate, clubs must create a tri-fold or a self-standing board that displays the details of a service project that other clubs can learn more about. Having a creative and interactive display is encouraged, and the board must fit on half an eight-foot table or stand freely. A representative listed below must stay with the display to answer questions with an explanation on the project and remove all materials at the end of the fair. Participating in the Service Fair does not enter your club's project into any DCON awards. Literature or other forms of handouts are encouraged.
